SPONSORED

Dear colleagues,

It is our pleasure to inform you that the 6th Congress of the "Serbian Association for Cancer Research - SDIR" with international participation „From Collaboration to Innovation in Cancer Research “ will be held on **October 2-4, 2023** in Belgrade, Serbia.

The preliminary Congress programme and author guidelines are available on the SDIR website <https://www.sdir.ac.rs/en/>.

**LATE-BREAKING ABSTRACT DEADLINE
SEPTEMBER 03, 2023.**

All accepted abstracts will be published in the Congress Proceedings. Submission of an abstract is not obligatory for participation. The Scientific Committee will review the submitted abstracts and select participants for a short oral presentation. Online participation only for the e-poster session will be available free of charge.

Participants can register and/or submit abstracts through the SDIR website <https://www.sdir.ac.rs/en/>.

Participants can register at any time before the Congress start date. On-site registration will also be possible.

Registration fees:

50 EUR – Ph.D. students

75 EUR – SDIR, EACR and members of friendly societies

100 EUR – other participants

The Congress will be accredited by the Serbian Health Council for CME.

Venue: Royal Inn
Address: Kralja Petra 56,
Belgrade

EACR-sponsored: Best abstract and poster awards will be available for participants.

We look forward to hosting you in Belgrade,

Dr Milena Čavić
SDIR President

Please feel free to contact our Organizing Committee if you have any questions at info@sdir.ac.rs
