

Instructions for authors

The deadline for abstract submission has been extended to November 17th 2021 (23:59 CET).

The abstracts should be submitted using the online submission system available on the SDIR website: <http://www.sdir.ac.rs/en/registracija/>

Registration is available on the same webpage.

Authors will be notified by e-mail to confirm that the submission and registration process was successful. Please note that the authors will receive additional confirmation email by members of Organizing Committee. Should you not receive the abstract submission confirmation email within 24 hours, please check your spam folder first and then contact us at info@sdir.ac.rs. Notification of abstract acceptance will be made by e-mail after the review process no later than November 22nd 2021.

For any assistance, please contact members of the Organizing Committee (info@sdir.ac.rs).

Abstract Guidelines

Font, Margins, Layout

- Times New Roman, 12-point font
- 2.5 cm margins (top, bottom, left, right)
- A4 format with double-spacing

Organisation

The Abstract should consist of the following elements:

- Title, in boldface font, centred. The title should be concise but informative, non-standard abbreviations should be avoided

- Author information should be placed below the title. Please state the authors' full names, the department/institution and country, and link the authors' names and addresses using numbers in superscript. Please underline the name of the presenting author
- The abstract body should be in a single paragraph, and be structured with the following sections: Background, Material (Patients) and Methods, Results and Conclusion
- Please include 3 to 6 keywords below the abstract, in the alphabetical order, taken from the Medical Subject Headings (MeSH)

Size, file type

- Abstract body is limited to 250 words
- Please save the abstract using the following naming convention: Last name_First name.doc. For example, if your name is John Smith then the abstract file name should be Smith_John.doc
- The preferred file format is Word (.doc or .docx).
